The RAILROAD MUSEUM OF LONG ISLAND'S Lionel SKU 6- 58054 "DOTS and Crows" candy boxcar

Lionel - Made in America!

The Railroad Museum of Long Island is pleased to announce the twenty-first in our series of **Lionel traditional O gauge** commemorative cars. Production of this car will be limited to only those who purchase this car in advance. Funds raised from the sale of this car will go toward the operation of the Museum, including education/restoration programs, exhibits, collections and the Historic Lionel Layout.

In 1864, Joseph Mason and Ernest von Au created **Mason & Au Confectioners** at 81 Fulton St., Brooklyn. A six story candy factory was built in 1892 at 22 Henry St. where **Crows and DOTS** were made until 1949.

Mason Candy relocated to a modern factory at 150 Old Country Road, Carle Place. There, the Long Island Rail Road delivered tank cars full of corn syrup to make the candies!

Deliver your **DOTS and Crows** candies to your layout in this RMLI designed boxcar, celebrating the Long Island heritage of **Mason DOTS and Crows!**
